2020 9th International Conference on Environment, Energy and Biotechnology (ICEEB 2020)

◆ CONFERENCE INTRODUCTION:

WELCOME TO ICEEB 2020!

The aim of the conference is to bring together innovative academics and industrial experts in the field of Environment, Energy and Biotechnology to a common forum. ICEEB 2018 has been successfully held with its first conference in Seisa Dohto University, Kitahiroshima, Sapporo, during August 27-29, 2018 and ICEEB 2019 was also a great success in Okinawa, Japan during July 2-5, 2019. More history details could be seen from the past events in the Navigation Bar.

ICEEB is organized by by Hong Kong Chemical, Biological & Environmental Engineering Society and Environment & Agriculture Society, technically supported by International Society for Environmental Information Sciences.
