Hydroecological Society of Ukraine

FIRST CIRCULAR

VIII CONGRESS OF HYDROECOLOGICAL SOCIETY OF UKRAINE

Dear Colleagues!

We invite you to participate in the

VIII Congress of Hydroecological Society of Ukraine,

The Congress will be held on November 6–8 2019 in Kyiv, Ukraine.

The main subject of the Congress:

«ADVANCES OF HYDRO-ECOLOGICAL RESEARCH IN THE CONTEXT OF ENVIRONMENTAL PROBLEMS AND SOCIAL CHALLENGES»

At the Congress it is planned to discuss the relevant issues of hydroecology:

- 1. Study of freshwater and marine ecosystem's structure and functioning peculiarities.
- 2. Mechanisms of physiological and biochemical adaptation of aquatic organisms to the effect of ecological factors.
- 3. Ichthyofauna and aquatic bioresources of freshwater and marine ecosystems, strategy for conservation and restoration.
- 4. Hydrological, hydrochemical and radioecological research of freshwater and marine ecosystems.
- 5. Methods for assessment and monitoring of aquatic ecosystems concerning the changes in Ukrainian legislation and regulatory framework.

Form of participation: oral (talk or poster presentation), abstract publishing only. **Languages**: Ukrainian, English.

Participation in the Congress

For participation in the Congress, till <u>10 September 2019</u>, it is necessary to fill in and send the application form (see Form 1), abstract, and a copy of the receipt on the committee's e-mail hydroecos@ukr.net. The application form and abstract are provided as separate files with the author's surname in the filename (example of the application filename – Bilenko_zaj.doc, abstract – Bilenko_tez.doc).

Surname, name, middl Affiliation	
	full name of the affiliation, address, phone, fax, e-mail)
Title of the report	
Authors	
Name of the section	
Form of the participand	ce
	oral (talk or poster presentation), abstract publishing only

Registration fee: for non-Ukrainian participants, the fee can be paid during registration.

Participation: members of HSU – 250 UAH,

other participants – 500 UAH.

Abstract publishing only: members of HSU - 200 UAH,

other participants – 300 UAH.

Organization of the text:

The text of the abstract is accepted in MS Word 97-2003 («.doc»), page size A4, orientation portrait, font Times New Roman, size 12, single-line spacing. Margins: left -3 cm, right, headers and footers -2 cm. The text should not exceed 2–3 pages.
